Enter
Personal
Information**

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .

(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

**Step 2:
Multiple Jobs
or Spouse
Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

**Step 3:
Claim
Dependent
and Other
Credits**

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

(a) Multiply the number of qualifying children under age 17 by \$2,200 **3(a)** \$

(b) Multiply the number of other dependents by \$500 **3(b)** \$

Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here **3** \$

**Step 4:
Other
Adjustments**

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income **4(a)** \$

(b) **Deductions.** Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here . . . **4(b)** \$

(c) **Extra withholding.** Enter any additional tax you want withheld each **pay period** . . . **4(c)** \$

**Exempt from
withholding**

I claim exemption from withholding for 2026, and I certify that I meet **both** of the conditions for exemption for 2026. See *Exemption from withholding* on page 2. I understand I will need to submit a new Form W-4 for 2027 . . . ☐

**Step 5:

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Agreement Acknowledgement

By signing below, I acknowledge and agree to the following:

1. **Non-Insurance Status:** I understand that Planstin Healthshare is not traditional health insurance, but a health sharing program. I will review and fully understand the member guidelines before proceeding with my enrollment and any dependents I may choose to enroll. I acknowledge that my health care and that of my enrolled dependents will be managed individually through Planstin Healthshare, and any changes to the program or costs will be subject to their policies.
2. **Voluntary Participation:** I understand that participation in Planstin Healthshare is voluntary, both for myself and any dependents I may choose to enroll, and I am not obligated to enroll in the program. I acknowledge that this program does not constitute an entitlement to health insurance coverage, and my decision to enroll and enroll any dependents is based on my personal choice.
3. **Group Discount Access:** I understand that the company is offering me access to a group discount, covering the costs of my membership at a \$1,250 IUA, as well as preventive and virtual care. All other medical expenses, including my IUA and those of any enrolled dependents, are my responsibility.
4. **Program Changes:** I understand that the terms, costs, and benefits of Planstin Healthshare may change at any time. The company will notify me of any significant changes, but I am ultimately responsible for understanding the terms and any associated costs with the program for both myself and any enrolled dependents.
5. **Termination of Enrollment:** I understand that my enrollment in Planstin Healthshare, as well as the enrollment of any dependents, may be terminated by the company or by me at any time, and that termination may affect the benefits and costs associated with the program.
6. **Information Accuracy:** I certify that all information provided in this form is accurate and truthful to the best of my knowledge, including information for myself and any dependents I am enrolling. I understand that if I provide falsified information (e.g., regarding smoking status, health conditions, or other health-related details), I will be liable for any consequences, including but not limited to, denial of coverage or additional costs incurred as a result.
7. **Alternative Coverage:** I understand that if I or any dependents choose not to participate in Planstin Healthshare, I am responsible for securing alternative health care coverage for myself and my dependents. The company is not responsible for providing or paying for any alternative insurance or medical coverage outside of this program.
8. **Data Use and Storage:** I consent to the company using this sign-up form to enroll myself and any dependents I choose to include in Planstin Healthshare and retain our information on file for the purpose of administering this program. My personal and dependent information will be managed by Planstin Healthshare in accordance with their policies and applicable laws.
9. **Authorization to Share Information:** I authorize the company to share necessary personal and dependent information with Planstin Healthshare for the purpose of enrollment and ongoing administration of the program. I understand that my information and that of my dependents will be protected in accordance with applicable privacy laws.
10. **Indemnification:** I agree to indemnify and hold harmless the company from any and all liabilities, losses, claims, or expenses arising from my participation or the participation of my dependents in Planstin Healthshare, including but not limited to, any errors or inaccuracies in the information I provide.
11. **Taxable Benefit and Voluntary Participation Disclaimer:** I understand that participation in this program is voluntary and does not constitute a guarantee of financial or insurance benefits. Because this benefit is considered taxable income, applicable taxes will be withheld by the company. **Employees who choose not to enroll will not receive financial compensation or reimbursement in lieu of participation**, similar to other voluntary benefits offered by the company.

By signing this agreement, I confirm that I have read, understood, and agree to the above terms, both for myself and any dependents I am enrolling in the program.

OPTIONAL

Adding a Dependent

At the employee's expense, you have the option to enroll your spouse or child(ren) on Swift's Planstin Healthshare membership for as long as you are employed by Swift Coffee. Here are the additional costs associated with enrolling a dependent onto Swift's plan (2026 pricing).

2026 DEPENDENT PRICING

+ Spouse	\$100.50 – \$136.50 per paycheck (age dependent)
+ Child(ren)	\$100.50 – \$136.50 per paycheck (age dependent)
+ Family (spouse & children)	\$200 – \$269.50 per paycheck (age dependent)

This includes a \$1,250 IUA (deductible), Preventative Sharing Services and Virtual Care Services for all dependents. The initial unshareable amount for each dependent, which is \$1,250 per incident, and all out of pocket, unshareable medical expenses are paid for by the employee. Please refer to the membership guidelines packet for further details.

These additional costs will be deducted post-tax from your paycheck, evenly per pay period.

For example, if you would like to enroll your spouse (age 30–49), the annual additional cost would be \$2,412 (\$201 x 12 months). This works out to \$92.77 deducted per pay period (\$2,412 / 26 pay periods).

If you would like to enroll your family (age 30–49), the annual additional cost would be \$4,800 (\$400 x 12 months). This works out to \$184.62 deducted per pay period (\$4,800 / 26 pay periods).

* If a dependent in your household smokes, the tobacco premium clause is in effect. All costs are subject to change without notice from Planstin Healthshare. Planstin Healthshare is not conventional health insurance and does not receive the same tax benefits. Monthly memberships are considered additional taxable wages paid.

SENT TO PLANSTIN (DATE)

AFTER THE PAPERWORK

Setting Up Your Team Hub

Team Hub is where you'll clock in and out, see your schedule, request time off, check your hours and pay period, and find company documents. Once the paperwork in this packet is done, your manager will hand you a device to finish setting up your account.

GO TO

hub.swiftcoffee.com

Works on a phone, tablet, or computer.

ONBOARDING PIN

654321

Enter this on the login keypad to start.

WHAT YOU'LL DO

ABOUT 10 MINUTES

1 Your information

Legal name, what you go by, email, phone, date of birth, and home address.

2 Emergency contact and medical

One contact is required, a second is optional. You'll also note any allergies or medical conditions we should know about in an emergency. Type "None" if there aren't any. This stays confidential and is only shared with management in an emergency.

3 Confidentiality Agreement

Read the full agreement on screen, then type your name to sign. The signature box unlocks once you've scrolled to the bottom.

4 Company policies

Six policies to open and acknowledge: Time Off, Winter Weather, Health and Safety, Workplace Injury, Uniform and Hygiene, and Cell Phone. You'll also confirm you know where to find the Employee Handbook. One signature covers all of them.

5 Review and create your PIN

Check your information, then choose a 4 to 8 digit PIN. This is how you'll log in every day, so pick something you'll remember but nobody could guess. It can't be 654321, and don't share it with anyone.

GOOD TO KNOW

● Have your address and emergency contact handy.

You'll be asked for a full address and a contact's name, relationship, and phone number.

● Prefer Spanish? Tap ES at the top of the screen.

The whole flow switches over.

● Interrupted? Your progress saves.

Reopen the Hub on the same device, enter 654321 again, and you'll pick up where you left off.

● Stuck on anything? Ask your manager.

They can walk through any step with you.

ONCE YOU'RE FINISHED

- Your manager sets your department, job title, and schedule.
- You log in from then on with your own PIN, not 654321.
- If you enrolled in Planstin Healthshare, your manager submits your sign-up and Planstin emails you directly. Their member portal is linked in the Hub's Documents tab.
